and Report on Review of Interim Financial Information
Performed by the Independent Auditor

REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION PERFORMED BY THE INDEPENDENT AUDITOR

To the Board of Directors of G J Steel Public Company Limited

I have reviewed the accompanying statements of financial position of G J Steel Public Company Limited as at June 30, 2022, the statements of comprehensive income for the three-month and six-month periods ended June 30, 2022 and the statements of changes in shareholders' equity and cash flows for the six-month period ended June 30, 2022, and condensed explanatory notes ("interim financial information"). Management is responsible for the preparation and fair presentation of this interim financial information in accordance with Thai Accounting Standard No. 34 "Interim Financial Reporting". My responsibility is to express a conclusion on this interim financial information based on my review.

Scope of Review

I conducted my review in accordance with Thai Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion on the reviewed interim financial information.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information does not present fairly, in all material respects, in accordance with Thai Accounting Standard No. 34 "Interim Financial Reporting".
